

# Program Workshop Implicit Causality

Werthmannstr. 8  
University of Freiburg, October 13-14, 2016

## Thursday 13 October

13:00–13:30 Welcome & introduction

13:30–15:00 Barbara Hemforth (Paris Diderot University) &  
Israel de la Fuente (Charles de Gaulle University, Lille)  
*The semantics of Implicit Causality: Missing explanations and more.*

15:00–15:15 *Coffee*

15:15–16:45 Arnout Koornneef (Leiden University)  
*Implicit Causality revisited: Framing its usage during reading in terms  
of individual differences, proactive reading, and good-enough processing.*

## Friday 14 October

9:30–11:45 Oliver Bott (Tübingen University) &  
Torgrim Solstad (Centre for General Linguistics, Berlin)  
*Grounding Implicit Causality in verb semantics and the pragmatics  
of explanatory discourse.*

11:45–13:00 *Lunch*

13:00–14:30 Emiel van den Hoven (Freiburg University)  
*Not-so-cheap tricks: Putting bounded rationality in Implicit Causality.*

14:30–14:45 *Coffee*

14:45–15:45 Discussion
